

Lights Out

Characters

Sally- Zaire

Lilly- Taylor S.

Setting

Rainy window center stage. Sally is sitting on a window seat. Lilly comes in and sits down in a chair.

SALLY

He won't show.

LILLY

He might. We just have to wait.

SALLY

I hate waiting.

Lilly

I know. Everyone knows. A watched kettle never boils.

SALLY

Yep.

LILLY

Santa won't come until you go to sleep.

SALLY

Thanks mom. We never listened anyway.

LILLY

We would lie awake until she went to bed then we would sneak out to this window and watch for Santa.

SALLY

He never showed up either. I never should have asked him to come over here in this weather.

LILLY

Its a little rain. He's a police officer, I think he has seen worse.

Do you think he will come?

SALLY

If he loves you he will.

LILLY

Well. We will see.

SALLY

Want something to eat? I have some bread and cheese.

LILLY

No thanks.

SALLY

Well. Yell when he comes.

LILLY

Stands to leave

Thanks sis.

SALLY

End of Show.
